Your child's exam score can increase with our intensive study program. The goal of the course is to strengthen the mathematical and verbal skills of the participants. Test-taking strategies will be incorporated into each lesson throughout the course. The many features of the course make it one of the most comprehensive available. Extra features include:

- Simulated exams
- Seven class sessions
- Small class sizes (**9 students maximum**)
- All materials

Summer Schedule Days and Times

- The class dates are: July 9, 12, 14, 16, 19, 21, and 23, 2010.
- Class time: 9:00-11:30 AM

Our two-week summer intensive course is designed to incorporate all of the features of our extended fall program. In addition to class time, students will be expected to complete the homework assignments required for class.
